

1. Student

Personal identity code Family name and given name

 Kela obtains address information from the population data system.

2. Credits

I have partially completed or failed study credits.

Enclose a certificate from the educational institution, indicating whether you have partially completed or failed study credits, whether you have participated in education regularly and whether the educational institution supports continued payment of student financial aid as well as whether you have drawn up a new plan together with the educational institution (for instance with the career counsellor) on how to move forward with your studies.

3. Reason that has affected the progress of the studies

Indicate the factors that have affected your academic progress and describe under section 4 how they have affected your academic progress. Also provide information about whether this reason still affects your academic progress. Enclose a copy of the medical certificate or an extract from the My Kanta Pages, when possible. If you have already sent a medical certificate to Kela, you need not send a new certificate.

- Own illness
- Difficult life situation or illness of a close relative
- Other reason

Enclose a certificate from the educational institution, indicating whether you have drawn up a new plan together with the educational institution (for instance with the career counsellor) on how to move forward with your studies.

4. Own statement

5. Signature

I declare that the information I have given above is true and accurate.
