Section 2. Studies

Students in vocational education: Certificate of studies from your school if you are applying for extension of financial aid beyond the normal duration of studies. No certificate is needed for studies for a basic vocational qualification and training preparing for vocational education pursued in Finland.

Students in a liberal adult education programme (e.g. folk high schools and sport institutes): Certificate of studies from your school if you are applying for extension of financial aid beyond the normal duration of studies.

Students in upper secondary school: Certificate showing how many courses and/or matriculation examination tests you will take during the autumn/spring term if you apply for financial aid for the 4th or a subsequent year of study.

Students in basic education for adults: personal study plan confirmed by the educational institution, if you apply for student financial aid for a new period (e.g. for the summer months or for an additional period of time)

Section 3. Application

Students in higher education: documentation on the reasons for the delay in the studies if you are applying for an extension of the period of student financial aid. Submit a medical statement or equivalent documentation if your studies are delayed due to health reasons. Or documentation on your difficult circumstances or on your family member's illness, if this is the reason for the delay in your studies. Enclose an official certificate with the documentation, if possible.

Section 6. Financial aid during the summer months

Students in secondary education: Certificate from the school on the duration of the summer studies.

Students in upper secondary school: Certificate on the duration and contents of the summer studies. The certificate can be issued by the school that arranges the summer studies.

Section 7. Studying abroad or in the Åland Islands
