 Kela retrieves address data from the population data system.

## 2. Benefit

Name of the benefit overpaid:

Date of the decision in which the overpaid benefit was granted: \_\_\_\_\_.

## 3. Reasons for the overpayment

In your opinion, what are the reasons for the overpayment?

## 4. Financial and social situation

If your ability to pay is impaired because of your financial or social situation, please state all facts relevant to your ability to pay, such as your income, expenses, debts, or liability to provide maintenance for a child.

 You will receive a decision in which we will tell you the amount being recovered from you and the date by which you must pay it. We will also tell you if we will be withholding the amount from payments of the same or a comparable benefit. The possibility to do so is based on law. Once you receive the decision, it may be possible to come to an agreement on alternative repayment arrangements. In the decision, we will tell you what you can do to reach such an agreement if you cannot repay the full amount at once.
